

Environmental Statement

Cain & Able® takes the following earth-friendly measures:

- **Does not use artificial dyes or fragrance in formulas.**
- **Products are tested on humans first!**
- **Recycles paper used for internal communication.**
- **Recycles all waste that is recyclable.**
- **Recycles boxes used in warehouse activities.**
- **Only purchases cornstarch packing materials, but the company also re-uses peanuts that are sent to it. (These peanuts are not always cornstarch, but they are re-used.)**
- **Uses electronic billing systems to eliminate paper use when it meets customers' operating standards.**
